SLYRS BAVARIAN WHISKY

Slyrs Bavarian Whisky brings a distinctly European voice to single malt, marrying Bavarian craftsmanship with a modern spirit of exploration. Under the Trade In Spirits portfolio, Slyrs stands out for its clear provenance, artisanal production, and approachable yet refined character.

Heritage and craft — Slyrs was born from a desire to translate Bavarian tradition into whisky: small-batch distillation, careful maturation in selected casks, and a focus on clarity and balance. Personality — warm, honest, and slightly adventurous; Slyrs invites discovery rather than demands reverence. Visual cues — alpine light, timber, and clean typography that reflect both place and precision.

SLYRS reaching new heights ...
This vision of an Upper Bavarian whisky came to SLYRS founder Florian Stetter during a study trip to Scotland. He
realized it in the heart of the Bavarian Alps: with great attention to detail, the best Bavarian raw

materials and a
gentle production process, a fruity-malty original is now created in the SLYRS Whisky Distillery in Neuhaus on Lake
Schliersee:...

SLYRS SINGLE MALT WHISKY PORT CASK FINISH 46%VOL. 0,7 L - RRP €73,70

Price: Please login to see prices.

SLYRS Single Malt Whisky Port Cask Finish begins with the distillery's clean, fruit-forward single malt and is gently matured to develop clarity and depth. A finishing period in former port wine casks adds a layer of ripe berry sweetness, soft tannin and a subtle winey complexity. The result is a balanced, approachable dram that pairs SLYRS' signature orchard fruit and malt backbone with...
