FIRKIN WHISKY COMPANY

THE FIRKIN WHISKY CO.

Born in Japan. Bred in Scotland. Enjoyed by an increasing number of people, Firkin is a fresh approach to Malt Whisky.

Everything about Firkin, from the name to the tasting notes, is different. Firkin is a tad zany, and a bit mischievous.

Firkin is about enjoyment, being self-effacing and poking good-natured fun at some of the more pretentious malt stuff out there. Life's too short to be serious. Life is for seriously good whisky. So, relax, pour a dram, and explore what Firkin has to offer.

Mike Collings

Mike Collings could have retired with an incredible track record in whisky. He had created Johnnie Walker Blue & Green Labels, The Classic Malts, Rare Malts, Distillers Edition, Flora & Fauna series, Cardhu and Royal Lochnagar. That's pretty good as far as CVs go.

He's been working in whisky for 40 years. You couldn't blame him for packing it in and putting his feet up. That would have been the sensible thing to do. But Mike is many things. Sensible isn't one of them. Mike stirs the pot. He thinks about things differently and always asks: 'what if …'.

So, he found himself enjoying a few drams in a Tokyo bar thinking: what if I created a whisky that was unique on the single cask single malt market.

So he did. And it's Firkin awesome whisky.

To create this Rare expression, Mike Collings started with a single ex-bourbon cask of Teaninich, distilled in 2009. He then gave it a second maturation in one of his custom double-oak casks. These are hand-made by a skilled cooper from ex-bourbon staves combined with virgin French oak. The resulting double-oak cask is then soaked with Tawny port, so that the wood takes up the Port's rich...
