### PAX44 - MARKET GARDEN

PAX44 Whiskey, Market Garden Remembrance, is a special blend created to commemorate Operation Market Garden, a significant World War II military campaign that took place in September 1944. This operation aimed to secure key bridges in the Netherlands and pave the way for an Allied advance into Germany.

One of the most poignant moments during this operation occurred in the Dutch city of Arnhem, where British and German soldiers, amidst the chaos of battle, shared a brief moment of humanity. Starving British troops exchanged their Cognac for German chocolate rations, symbolizing a temporary truce and a glimpse of peace amid the war.

PAX44 Whiskey is crafted to honor this moment of humanity and peace, blending rich Irish whiskey with a touch of Cognac and chocolate. It serves as a reminder of the shared experiences and fleeting moments of camaraderie even in the darkest times.
