DINGLE DISTILLERY

The Dingle Whiskey Distillery was crafted and conceived by three independent spirits: Oliver Hughes; Liam LaHart and Peter Mosley. The Dingle Whiskey Distillery came into being in the cold winter of 2012. Ireland was beginning to come out of the greatest recession in many people's memory. However unbeknownst to many, the most significant event in the Irish whiskey industry in decades was happening in a tin shed in the town of Dingle, Co. Kerry. Witnessed by few, the first Dingle Whiskey Casks were filled on the 18th December 2012. Three years and a day later on the 19th December 2015, one cask, Cask No. 2 was released. Our whiskey was born. Hear a little more about Dingle Whiskey and the Dingle Whiskey Distillery from those who make it.
