BLACKS

BLACKS BREWERY & DISTILLERY

Since 2013, Sam and Maudeline have been living their dream, fueled by a shared passion that transformed a simple hobby into a thriving business. It all began when Maudeline gifted Sam a home brewing kit for Valentine's Day, igniting a fervent journey of experimentation and creation. This led to the birth of Blacks, a brewery and distillery with a clear mission: to break free from the monotony of mass-produced beverages by crafting beers and spirits brimming with passion and personality.

The Distillery

In 2015, the duo took a bold step forward by inaugurating their state-of-the-art distillery, marking Ireland's first-ever brewery and distillery under one roof.

Initially, they focused on small-batch production of Irish Poitín, akin to the American moonshine, perfecting the craft with each run. Soon after, they ventured into the gin market, with Maudeline spending countless hours in the R&D lab to develop a rich, bold Irish Gin that would stand out in the crowd.

And what's an Irish distillery without whiskey? Although they started young, unable to produce their own distilled and matured whiskey, Sam and Maudeline cleverly sourced aged whiskey and infused it with their distinctive touch, finishing it within their distillery walls to create something truly unique.

COPPER RIVET DISTILLERY ENGLAND

COPPER RIVET DISTILLERY

The Copper Rivet Distillery is an exciting and dynamic Medway based craft distillery. Drawing upon the area's rich tradition of innovation and craft, the team will toil together to produce small batches of exceptional gins, whiskies and vodkas from scratch in bespoke stills, with the same skill that local craftsmen once fashioned world-class ships.

CR is the only spirit maker in Kent, and one of just a few in the UK that undertakes the complete process of brewing and distilling from grain to glass, ensuring our range of premium spirits is totally distinctive and unique.

Set in the historic and magnificent Victorian Pump House No. 5, our distillery is open for tours. Come meet the team to see how we make and produce our range of spirits, explore and see firsthand the distilling process in action, play and experiment with flavour profiling in our laboratory and sup and savour some of our spirits for yourselves.

WILD ATLANTIC AGEING
J.J. CORRY X THE CLIFFS OF MOHER

J.J.CORRY IRISH WHISKEY

J.J. CORRY, IRELAND'S FIRST MODERN WHISKEY BONDER

J.J.Corry brings us back what was once extinct: Bonding.

In the 19th and 20th centuries, hundreds of distilleries existed in Ireland, but most did not blend or bottle their whiskey. This was done by Whiskey Bonders. Bonders were publicans, merchants and independent bottlers, who sourced new make spirit from distilleries which they aged in their own casks, before blending and bottling for local customers. After the collapse of the Irish Whiskey industry, this thriving tradition became extinct. Until now.

Louise

Independent and ground-breaking, J.J. Corry is the modern Irish whiskey bonder – explorer, curator, creator of unique and sublime expressions of flavour, the first modern Irish whiskey bonder, complete with a bonded warehouse on our founder's family farm in Cooraclare, Co. Clare. Founder Louise McGuane creates whiskeys that encapsulate contemporary Ireland: superior and intriguing Irish Whiskeys from the new and old guard of Irish distilleries and casks by craft makers around the globe.

J.J.Corry

In the 1800s, our inspiration and namesake J.J. Corry was an independent Irish whiskey Bonder in port town of Kilrush, County Clare. As a whiskey bonder, he was licensed to buy wholesale whiskey from the nearest distillery; age it in sherry, port or wine casks he acquired from trading ships; and create unique blends for private clients, hotels and bars.

Library of flavours

The casks and whiskeys under our care are curated stories in liquid form. No one else has built such an impressive library of flavours. As modern bonder, Louise is free to select the most promising new-make and rare, aged Single Malts, Single Grains and Potstills from Ireland's many distilleries.

JJC travels the globe to collaborate with our partners-in-craft to source unusual and special barrels in which to age out whiskey. We partnered with the World's Best Cooperage 2023, Casknolia, to select a range of oak barrels that have been seasoned with varying styles of sherry wines from the Sherry Triangle.

DINGLE DISTILLERY

The Dingle Whiskey Distillery was crafted and conceived by three independent spirits: Oliver Hughes; Liam LaHart and Peter Mosley. The Dingle Whiskey Distillery came into being in the cold winter of 2012. Ireland was beginning to come out of the greatest recession in many people's memory. However unbeknownst to many, the most significant event in the Irish whiskey industry in decades was happening in a tin shed in the town of Dingle, Co. Kerry. Witnessed by few, the first Dingle Whiskey Casks were filled on the 18th December 2012. Three years and a day later on the 19th December 2015, one cask, Cask No. 2 was released. Our whiskey was born. Hear a little more about Dingle Whiskey and the Dingle Whiskey Distillery from those who make it.

FIRKIN WHISKY COMPANY

THE FIRKIN WHISKY CO.

Born in Japan. Bred in Scotland. Enjoyed by an increasing number of people, Firkin is a fresh approach to Malt Whisky.

Everything about Firkin, from the name to the tasting notes, is different. Firkin is a tad zany, and a bit mischievous.

Firkin is about enjoyment, being self-effacing and poking good-natured fun at some of the more pretentious malt stuff out there. Life's too short to be serious. Life is for seriously good whisky. So, relax, pour a dram, and explore what Firkin has to offer.

Mike Collings

Mike Collings could have retired with an incredible track record in whisky. He had created Johnnie Walker Blue & Green Labels, The Classic Malts, Rare Malts, Distillers Edition, Flora & Fauna series, Cardhu and Royal Lochnagar. That's pretty good as far as CVs go.

He's been working in whisky for 40 years. You couldn't blame him for packing it in and putting his feet up. That would have been the sensible thing to do. But Mike is many things. Sensible isn't one of them. Mike stirs the pot. He thinks about things differently and always asks: 'what if ...'.

So, he found himself enjoying a few drams in a Tokyo bar thinking: what if I created a whisky that was unique on the single cask single malt market.

So he did. And it's Firkin awesome whisky.

FIRKIN 49: DAILUAINE 2012 SCOTCH SINGLE MALT WHISKY - RRP 97,00

Firkin 49 Dailuaine is a classic Speyside whisky distilled in 2012. Its long fermentation and short distillation cuts produce a surprisingly heavier, richer and almost meaty style of whisky. This intriguing depth in a Speyside whisky makes it a speciality in this region. This release has been matured in hand made custom casks using Bourbon first fill and new French oak staves. The cask is then...

FIRKIN RARE: TEANINICH 2010 CUSTOM CASK TAWNY PORT - RRP 97,00

The resulting double-oak cask is then soaked with Tawny port, so that the wood takes up the Port's rich...

From the Ruin of Battle is born a Beautiful Spirit.

In 1600, Ringrone Castle was held by Spanish forces but was captured by the English during the Siege of Kinsale after a fierce cannon attack.

Perched above the River Bandon, just south of Kinsale, this 13th-century castle was constructed on land granted to Milo de Cogan by Henry II.

Today, the remnants of Ringrone Castle lie just a stone's throw from our brewery and distillery, inspiring us to create the first whiskey produced entirely in Kinsale.
